

Dear Friends,

It is with great excitement that we announce that our very own Rosalyn Kahn of “Living Your Best Life with Rosalyn Kahn” on Chow Entertainment/KXLA will be visiting the country of Egypt in August to interview an important diplomat who is making a very big difference for our climate and environment as well as the medical community.

Rosalyn is looking forward to airing this coverage on her weekly show in Los Angeles and her daily program in Las Vegas. Rosalyn’s adventures in Egypt will involve many important happenings, including the founding of a new zoo and terrarium.

Rosalyn is a global speaker and humanitarian, and it is her goal to share her important message of wellness and living one’s best life with our viewers and friends in Egypt.

Her travels are a worthy cause that will continue to bring great coverage on this important community television platform. Her message is one that we can all benefit from, and we appreciate any support you can provide for her in her travels.

We at “Living Your Best Life...” will certainly make your sponsorship worth your while. The various sponsorship options are outlined on the following page. We look forward to working with you to make this dream a possibility for Rosalyn and all of her viewers and followers. For any questions, reach out to our media sales department at 650-504-8549.
